### 2. Website Disclaimer

The use of the Site of Board of Innovation is subject to the conditions of use described hereunder. The mere use of the Site implies the knowledge and the acceptance of those conditions of use.

**Information:** The information available on or via the Site is of a general nature and is only provided for a general use. This information is not adapted to personal or specific circumstances and can therefore not be considered as being any personal or professional advice. No rights can be derived from the information.

Despite the fact that best efforts were made to draw up the content of the Site with due care, it cannot be excluded that information is obsolete, incomplete or in any other way incorrect. Bol cannot give any guarantees concerning the nature or the content of the information available on or via the Site.

Should you notice errors in the information available on or via the Site, please contact our webmaster at the address stated above under Company Information.

**Interruptions:** Bol makes every effort to prevent, as much as possible, interruptions due to technical errors. Nevertheless, Bol cannot guarantee that the Site will be completely free of any kind of interruption or will not be subject to other technical problems.

**Links and references:** The Site can contain links to other websites. Bol does not monitor those websites and has no technical or content control on those websites. Therefore, Bol cannot guarantee the completeness or the accuracy of the content, nor the availability of those websites.

The incorporation of links to other websites does not imply any connection, partnership, relationship or approval of those websites or their content. Should you desire to create links from your website to this Site, please contact the webmaster beforehand, at the address stated above under Company Information.

**Liability:** This Site has been compiled in good faith by Bol. Bol shall not be liable for any damages arising or resulting from any direct or indirect use of the Site or of the information made available on or via the Site. Bol is not liable for damages resulting from potential interruptions of the Site, caused by technical errors, viruses or any other disturbing element, or the consultation or the use of the websites (e.g. via links) referred to on or via the Site or the information available on the former. Bol is not liable for electronic communications via the Site, e.g. e-mails, or delays, interceptions or manipulation by third parties of those communications.

Any use of the information available on or via the Site is therefore completely at your own risk. Consequently, you are liable for any of your choices made based on the information available on or via the

Site. You shall take all reasonable precautions to prevent your equipment from being harmed by viruses, bugs, Trojan horses, etc.... Bol does not guarantee any compatibility of your equipment with the files being part of or present on the Site, or any accessibility of those elements.

**Intellectual property rights:** The Site is subject to copyright and the Creative Commons License. No intellectual property rights, including database rights regarding the Site itself, part of the Site or information available on or via the Site are transferred to you.

The information that is made available to you on or via the Site, can be used when properly attributed to Bol (f.e. including the Bol logo and mentioning a link to [www.boardofinnovation.com](http://www.boardofinnovation.com)). You shall not use the information or databases for commercial exploitation.

### 3. Privacy Statement

For Bol, the data controller, it is important that your personal data are processed in conformity with the applicable laws and regulations. The following information is designed to help you understand what information we collect, and how we handle the information once we collected it. Providing your personal data through the Site, implies the knowledge and the acceptance of this Privacy Statement.

**Purposes of data processing:** Your personal data are collected and processed by Bol to deliver the requested goods, services, information and/or publications. The use of these data is strictly limited to these purposes. Bol maintains log files concerning the use of the Site to generate statistics for an anonymous analysis of this use. Bol only processes the personal data that are strictly necessary for such purposes.

**No transfer of personal data:** Your personal data are not transferred to any third party, unless you have given us your consent to do so, or if such is necessary for the performance of the services that you wish to use, or if such is required by law.

**Your rights:** You can access your personal data at any time and you can verify/correct their accuracy. You can also request the removal of your personal data. To exercise these rights you can contact our webmaster at the address stated above under Company Information. Due to the requested removal, it is however possible that Bol cannot ensure the provision of (part of) its services.

**Cookies:** The Site uses cookies. A cookie is a file that the server sends to your browser and that is stored afterwards on your computer. Cookies are only used for the performance or the facilitation of the performance of a service requested by you. Most of the cookies only function during one session or visit. You can configure your browser in such a way that it will warn you each time a cookie is installed or each time it refuses to install one. Should you refuse the installation of cookies, Bol cannot ensure the transmission of communications and the delivery of certain services.

**Modifications:** Bol reserves all rights to change this Privacy Statement at any time in conformity with any applicable privacy law. We therefore recommend you to check the Site regularly for an update of our Privacy Statement.

**Questions:** Should you have any questions or requests concerning our Privacy Statement, please contact our webmaster at the address stated above under Company Information.
